

# Kitchen & bath galleries®

## Obtaining an estimate:

Step 1:

Choose your material (i.e. Granite, Engineered Stone, Wood Top)

Step 2:

Draw the basic shape of your kitchen:

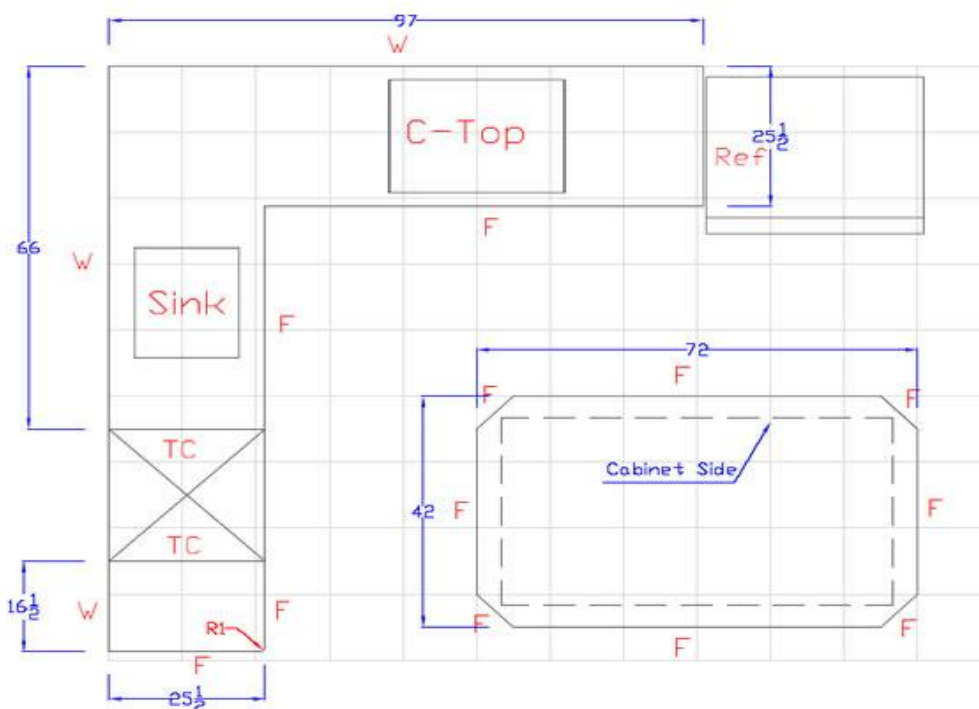

Measure along the wall from one edge to another. Indicate measurements in inches

Place an "F" on any finished ends

Mark the locations of the sink, cooktop(C-Top), stove, and refrigerator(Ref.)

Indicate if you need a backsplash or not

## Drawing should look something like this:
